

Reading Strategies

Before Reading

- Preview the text
 - Review all headings
 - Glance over any pictures, charts or graphs
 - Read any bold or italicized words
 - Review any end of chapter questions
- Ask questions about the text

While Reading

- Answer the questions you made
- Predict what will happen next
- Read aloud. This improves your understanding
- Visualize the text
- Highlight important pieces of information; aim for no more than one or two sentences per paragraph

After Reading

- Summarize what you've read
- Review what you've read
